 - What else do they need? They got pencils and paper.
3. My students stay connected and help teach other:
 - By engaging with proprietary software
 - On social media sites like facebook
 - By talking during my important lecture
 - Are you kidding? What do they know?

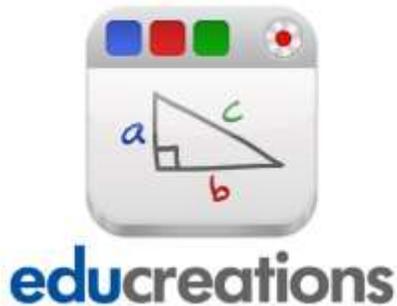

A screenshot of the Poll Everywhere website. At the top left is a logo with a red bar chart. The main heading is "Poll Everywhere" in a large, bold, black font. Below it, the text "Live Audience Participation" is displayed. A sub-headline reads "Poll Everywhere lets you engage your audience or class anywhere in real time". There are two buttons: a red one that says "Create your first poll" and a grey one that says "Watch our 4 min video". Below this is a poll question: "How Many Years Have You Been In Real Estate?". The poll options are displayed as blue boxes with white text: "2 Years", "5 Years", "10 Years", and "20 Years". To the right, a smartphone is shown with a poll interface on its screen. A small text box says "Use your phone to text a vote now!" with an arrow pointing to the phone.
