

## NORTH CAROLINA REAL ESTATE COMMISSION

### Approved Schools – Prelicensing and Postlicensing Courses

January 2012

The schools listed below are approved by the North Carolina Real Estate Commission to offer real estate prelicensing and postlicensing courses at the locations (cities) listed under the names of the schools. Schools are listed alphabetically by type of school.

North Carolina issues only one type of real estate license – a **broker** license. The *Broker Prelicensing Course* involves a minimum of 75 classroom hours. There are three 30 classroom hour *Postlicensing Courses* that make up the 90-hour postlicensing education requirement. Most approved schools offer both the prelicensing course and the postlicensing courses.

All prelicensing and postlicensing courses are available only as classroom courses in North Carolina and are not available via distance education. Schools offer a variety of classroom schedules for these courses. Interested persons should check with the school(s) in their area for specific information regarding available courses and course schedules.

#### COMMUNITY COLLEGES, COLLEGES AND UNIVERSITIES

##### **Alamance Community College**

Graham 336/578-2002  
Burlington

##### **Bladen Community College**
