

Postlicensing Education Information

Schools and Sponsors

The Commission has approved many community colleges, private schools, trade organizations and others to sponsor education courses throughout the state.

- 1) Sponsors approved to offer the mandatory continuing education *Update Course* are also eligible to offer the *Broker Transition Course*. A [list](#) of schools is available in PDF format.
 - 2) Sponsors approved to offer prelicensing education courses are also eligible to offer the three 30-hour postlicensing courses. A [list](#) of schools is available in PDF format.
1. You should contact course sponsors directly for detailed course information and to register for courses.
 2. Course fees are established by the course sponsor.
