

Resident Options - Provisional Broker (Licensed before October 1, 2005)

PBT Status:	Initially licensed as a <i>salesperson</i> before October 1, 2005 and converted to “provisional” broker on PBT status on April 1, 2006 .
Requirement:	The deadline to terminate the “provisional” status of your broker license by either taking the <i>Broker Transition Course</i> or by certifying full-time experience has passed. The April 1, 2008 deadline was a fixed date and <i>there can be no exceptions for any reason</i> .
•	Your license is now on Inactive Status and may remain so indefinitely as long as you renew it properly.
•	In order to activate your license, you will be required to take the three (3) 30-hour postlicensing courses. In addition, you will be required to make up any CE deficiency, not to exceed 16 hours.
