(Class time should include introduction of the assignment and review upon completion.) Schools and instructors may, in their discretion, also require completion of in-class or out-of-class graded assignments that may count for up to 25% of a student's final grade for the course.

**Syllabus Copies:** The Commission provides this Syllabus for use by school officials and instructors. Schools are authorized to reproduce all or part of this syllabus for student use at their own expense, and may charge students for the cost of reproduction.

**Order of Subject Area Presentation:** The order in which subject areas are presented in the Syllabus is the recommended order. Instructors and schools may make reasonable adjustments in the order of presentation, but should retain a logical order of presentation.

**Recommended Major Subject Area Emphasis:** Recommended emphasis by major subject area (i.e., preceded by a Roman numeral) has been provided in this Syllabus in the form of recommended number of instructional hours to be devoted to each major subject area.

**Competency and Instructional Levels:** Each major topic (i.e., preceded by a letter) in this Syllabus has been assigned a competency and instructional level of 1-3 to indicate the appropriate level of emphasis and instruction. In some instances where a subtopic should be afforded significantly greater or lesser emphasis than the major topic under which it is listed, the subtopic has been assigned a different level that applies to that subtopic only.

Competency and instructional levels have been assigned based on the relative importance of the topic and the degree of knowledge or skill needed by real estate brokers with regard to the topic. Schools and instructors are **REQUIRED** to comply with the assigned competency and instructional levels (and special notes to instructors) when teaching this course.

Shown on the next page are the three (3) competency and instructional levels used in the Course Syllabus and the meaning of each. The term *competency* refers to the cognitive level expected of students with regard to a particular topic, while the term *instruction* refers to the depth of instruction and the instructional methods that should be utilized. Level 1 is the lowest level and Level 3 is the highest level. **The majority of Postlicensing topics should be taught at a Level 3; therefore, assume the topic is a Level 3 topic if no level is noted.**

## **COMPETENCY AND INSTRUCTIONAL LEVELS**

### **Level 1 – Recall**

- Competency:** Student should possess a basic level of knowledge of the topic that is sufficient to recall, recognize, identify, list, describe, etc. definitions of common terms, basic facts/concepts/principles, and basic procedures/methods.
- Instruction:** Instructor should review and discuss the appropriate basic definitions, facts, concepts, procedures, etc. No in-depth instruction required.

### **Level 2 – Application**

- Instruction:** Instructor should review and discuss the topic in substantial depth, using examples (as appropriate) to reinforce understanding of ideas, principles and practices, and requiring students to complete practical work assignments (as appropriate) to demonstrate both their understanding of the topic and their ability to apply their knowledge to common fact situations that will be encountered in real estate brokerage practice.

#### C. Sources of Standardized Sales Contract Forms

**Note:** NCREC does not create the standardized sales contract forms used by the majority of NC licensees. The only standardized forms authored by the Commission are (1) *Working With Real Estate Agents* brochure; (2) *Residential Property & Owners' Association Disclosure Statement (RPOADS)*; and (3) *Mineral and Oil and Gas Mandatory Disclosure Statement (MOG)*.

**Required Activity:** Engage students in a detailed review of each paragraph in each of the standard forms listed below. Be sure to discuss the meaning and purpose of each paragraph, the intended use of each form, and common issues in filling various blanks. Improper completion of sales contract forms by brokers continues to be one of the greatest problems in real estate brokerage practice. Every broker completing this course should be able to accurately complete the appropriate offer to purchase and contract form (plus any needed addenda or related contract forms) for a wide variety of situations they will commonly encounter.

Begin the review of sales contract forms with Standard Form 2-T which should be a line-by-line review guided by the discussion in Section III. Consider covering the 13 standard addenda as they are referenced in the 2-T so that students can see the relevance of the addenda to the contract terms. Any remaining addenda can be covered as a group later.

### A. Forms to be Reviewed:

1. Form 2-T *Offer to Purchase and Contract* and Form 2-G *Guidelines for Completing the Offer to Purchase and Contract*
2. Form 12-T *Offer to Purchase and Contract Vacant Lot/Land* and Form 12-G *Guidelines* for proper completion

4. Both Buyer & Seller should initial and date every change, addition, or deletion
5. Rewrite offer if there are numerous changes
6. Review ALL contract provisions with the parties & recommend they obtain legal advice to answer questions

## III. Major Paragraphs of Standard Form 2-T

### Paragraph #1: Terms and Definitions

**Note:** Whenever a term appears in the body of a contract and begins with a capital letter that would not normally be capitalized, it indicates that the word or phrase is a *defined term* that can be found somewhere earlier in that contract. Words that appear in parenthesis such as (Additional) Earnest Money Deposit in 1(d) are optional words to be used or ignored as appropriate.

- Addresses how EMD will be held and handled if:

**Required Activity:** Discuss possible issues arising during the DDP (e.g., loan issues, broken appliances, house systems that need repair, insurability issues, mechanic's liens, use restrictions, etc.) and how to handle negotiations from both the Seller and Buyer viewpoints.

**Note:** Buyers should be strongly advised to perform due diligence activities as quickly as possible to allow negotiation for any discovered issues to be resolved prior to the end of the DDP. The Buyer is not limited to the investigative items listed in this Paragraph. Seller is not obligated to extend the Due Diligence Period (DDP). If the Buyer does not terminate the contract prior to the end of the DDP, the Buyer may continue to investigate the Property after the DDP but has waived his/her right to terminate without penalty unless there is a Seller breach.

#### 4-a. Loan
